

This training is hosted by:
The City of Temecula
Temecula Citizen Corps
CAL FIRE
Riverside County Fire Department
Emergency Management Department

CERT is about readiness, people helping people, rescuer safety, and doing the greatest good for the greatest number. CERT is a positive and realistic approach to emergency and disaster situations where citizens will be initially on their own and their actions can make a difference. Through training, citizens can manage utilities and put out small fires; treat the three killers by opening airways, controlling bleeding, and treating for shock; provide basic medical aid; search for and rescue victims safely; and organize themselves and spontaneous volunteers to be effective.

CERT training is a commitment of 20 hours of training. There is a \$25 fee for the cost of services provided during the training. Only those who successfully complete the practical exercise with hands-on instruction in fire suppression, search and rescue, cribbing and medical will receive a certificate of completion and a CERT backpack with emergency supplies and equipment. The class is family based, so all can participate.

WHEN: May 19, 20 and 21, 2017

Friday : 5:30 pm – 9:30 pm Dinner will be provided

Saturday and Sunday: 8:30 am to 4:30 pm (8 hours each day)
